

Our sincerest gratitude to those who have started to send in their donation to our 'Raise the Roof' fundraising campaign. We had a good response from our parishioners especially during the second collection and those who drop in their donation through the collection boxes. May we continue to stand with everyone in raising \$240,000.00 which is the total cost of the repair. We will display a tracker at the hall to help track the progress of the campaign. The successful outcome of this fund raising campaign will surely enable our parish and ministries to come back to normal affairs. May the Lord who cannot be outdone in generosity reward you a thousand-fold of His choicest blessings! Let us 'RAISE the ROOF' together and return to our beautiful church soon!

RAISE the ROOF

Our church's roof is in distress

Right now, our church's roof was deemed unsafe, and our normal church service cannot resume until it is fixed.

Beams need to be strengthened

Cracks in integral beam

We cannot use RRR donations for repairs

The Rebuild, Refresh, Renew campaign's funds are strictly for renovation, not repair.

Our goal is \$240,000

We are asking each family to donate a meaningful gift so that we can meet our \$240,000 goal, the cost of repairs.
